## YOUR CHALLENGE

We're excited to invite you to take part in the National Physical Laboratory and EEMUA STEMboots Stick with STEM Sticker Competition! Create an original STEM inspired sticker linked to Science, Technology, Engineering, or Maths. Whether it's funny, clever or thought-provoking...

## YOU MAY INCLUDE:

- STEM puns and wordplay
- Famous scientists or inventors
- Environmental or sustainability themes
- Space, rockets and astronomy ideas
- Engineering concepts
- Maths humour

**STEM is all about problem solving and imagination — there's no single "correct" idea, just creative thinking! Designs will be judged on creativity, STEM relevance and visual impact. You can research!**

## WHAT YOU NEED TO DO

### Step 1

Think of a STEM idea you find interesting.

### Step 2

Turn it into a sticker design using drawings, colours or wordplay.

### Step 3

Keep it clear, bold and easy to understand.

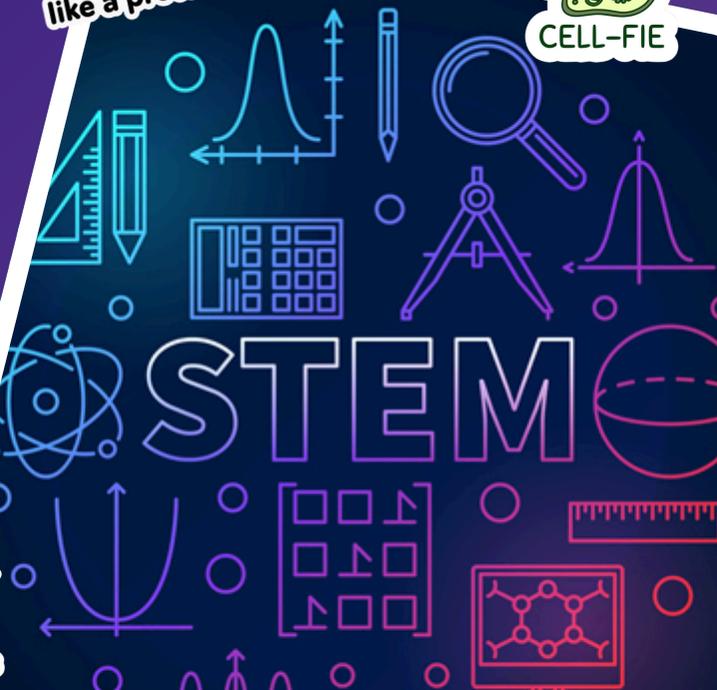

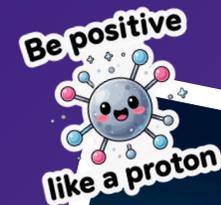

### Step 4

Submit your design through your teacher or online by **Thursday 30<sup>th</sup> April 2026**

## WHY TAKE PART

Show your creativity!  
Explore STEM subjects in a fun way.  
**Winning designs will be professionally printed and transformed into real stickers and badges to celebrate your achievement, with even more exciting prizes to be won!**
